

PARENT WORK DEPOSIT POLICY 2017 – 2018

A Parent “work deposit” policy was established in 1992 to provide a strong incentive to accomplish some of the more labor-intensive activities of the program. Under this policy, **Parents** are expected to provide **20 hours (per family)** of volunteer “work” at PCSEF events during the year. In short, 20 hours of **Parent** volunteer support will fully retire the “work deposit” requirement.

As part of the enrollment process, a \$500 work deposit (by check) is required, along with the 1st Tuition installment due July 30, 2017.

In addition to volunteer support for our July 4th Run, Golf Tournament, Jan’s Winter Welcome and Ski Swap, **every family is required to support a minimum of 1 day of on hill race support within their accumulated hours.** In an effort to get Parents more comfortable with the various race volunteer roles, we will be holding an Alpine Officials Clinic in the fall (date TBA), as well as in-house Alpine Official Education.

NOTE: New Families joining the PCST upon being named to the Team through Placement Day (December 2, 2017) are required to fulfill 10 hours at \$25/hour up to \$250.

Parent(s), will be responsible to track hours, your work deposit check will be returned when your volunteer hour accounting is approved at the end of the 17-18 season. Please use the “work deposit tracking sheet” to document your hours. The PCST Office will send out reminders on fundraisers and hosted race events for volunteering. Parent(s) will sign up to volunteer by going to: www.parkcityskiteam.org > Parents > Volunteering click on the “SignUp” button.
